

Iowa Rush's Spring 2013 Kicks4Kids program kicked off last Friday, April 26th at Prairie Ridge Soccer Complex. It was a great turn out of over 85 3-6 year olds!! One of our biggest seasons yet!

The mini-kickers participated in soccer games full of fun and had a great time getting to know our youth coaches.

We will be opening registration for our Fall Kicks4Kids series on May 15th and because of the huge turnout, we will be splitting into two mini-groups for the fall season.
