

Frozen 4's Tournament

Iowa Rush is hosting its third annual Frozen 4's Indoor 4v4 Tournament at Kingdom Hoops. This is a great opportunity for players and teams from around the state of Iowa to work on their skills, enjoy their teammates, and the game of soccer on a different surface using a heavier, weighted ball called a "Futsal" ball in a more competitive environment. In the past, we have had teams come from Iowa City, Cedar Rapids, Duquibue, Marshalltown, and all over the Des Moines area.

Teams are guaranteed 3 25-minute games, but we usually been able to schedule 4 per team registered. Saturday, February 23 is the all-day boys' event while the girls will compete on February 24. Games typically start at 8 am and end by 8 pm as well, depending on the number of teams and bracketing. Last year we had over 65 teams play in the event!

Registration deadline is February 1 with brackets being published on February 10 and schedules out by February 12. Register as soon as possible to secure a spot today!
