

The Iowa Rush is proud to announce the hiring of Jeff Adamiak as the new Director of Coaching Select-Nero. Jeff worked previously for the Johnston-Urbandale Soccer Club, most recently as the U9/U10 Academy Director. This new position and role within the Iowa Rush club is looking to add a full-time staff member to oversee all portions of the Nero teams within the Select program, most notably the administrative duties and on-field development of the Nero players.

A native of Milwaukee, Wisconsin, Jeff began his coaching career in the Iowa City area after graduating from the University of Iowa. During his time in Iowa City, Jeff served as the Assistant Director of Coaching for the Iowa City Alliance Soccer Club and the Iowa Soccer Club, in addition to coaching at the high school level with both Iowa City High School and Solon High School. In 1998, Jeff became involved in the Iowa Olympic Development Program (ODP), where he spent twelve years as a member of the state coaching staff. Jeff currently holds a USSF "B" License and USSF "National Youth" License.

The new Director of Coaching Select-Nero will work with the Directors of Coaching Select, Boys and Girls to provide a quality soccer experience for the players, teams, and parents that ties into the Iowa Rush philosophy, curriculum and programming. He will assist in organizing and overseeing other offerings the Iowa Rush club provides, such as the Rush Fest, Rush Cup, College Combine, and select player evaluations.

With the hiring of Jeff as the Director of Coaching Select-Nero, the Iowa Rush is hoping to expand the quality of the Nero program and provide more direct oversight to its players. We are looking forward to a great season and please join us in welcoming Jeff to his new role with the Iowa Rush Staff!
